TMS SimpliTrain
By Mundrisoft

Going Beyond the LMS

*Starting at $60 per Admin User
*Unlimited Learner License

Microsoft
Proud to partner with
Microsoft for Startups

Key Benefits

Easy to Integrate
SimpliTrain offers seamless integration with existing systems and tools, ensuring a smooth transition without disruption to your current workflow

Flexible Learning Delivery
Whether it's instructor-led training, virtual classrooms, or self-paced online courses, SimpliTrain provides a flexible platform to accommodate diverse learning preferences and formats.

White-Labeling Capabilities
With SimpliTrain, organizations can white label the platform to align with their brand identity, creating a seamless and cohesive training experience for their learners

Unlimited Customization
One size does not fit all when it comes to training solutions. SimpliTrain recognizes this and offers unlimited customization options to tailor the platform to your organization's unique requirements
